ACCOMMODATION, CONFERENCE FACILITIES AND VENUES

# KLAIPĖDA

Klaipėda is the third largest city and the only sea port in Lithuania. It is about 2 hours drive from Kaunas and 3 hours from Vilnius. The city welcomes cruise ships and tourists to visit white sand beaches, fascinating sea museum, summer sea festivals, and among others – an intriguing Old Town

The largest city in western Lithuania has many small shops, museums, cosy cafés and bars along with numerous monuments and entertainment activities. The sound of the Carillon tower, or a visit to the music and drama theatres, or the Art Exhibition Palace, offer a different kind of Klaipėda's sightseeing experience.

There is a wide choice of accommodation in Klaipėda: from the cheapest youth hostel to four-star hotels. Most of the hotels are situated in the Old Town and the central part of the city, some of them are by the sea. The hotels and other venues used for conferences are cosy, attractive, and have wonderful ambience. There are also plenty of activities in the city for the conference attendees to relax and have team-building experiences.

Klaipėda welcomes you!
